Commercial Flood Insurance Just Got Smarter

Every FloodFlash policy includes a smart sensor that measures flooding at your property. [Here's why it pays to get smart:](#)

Affordable premiums

Our advanced risk modelling and cloud-based underwriting technology were custom-built to keep premiums down.

Expert support

Get tailored risk advice bespoke to your business. FloodFlash experts are on hand to help with every stage of the journey.

Rapid-payout claims

The smart sensor sends us data within moments of the flood. Our fastest claim ever took just 3 hours and 50 minutes.
